---	--	---

Career Objective: I am seeking for an internship that will provide me with new challenges and allow me to apply my expertise. With experience in Python programming and a strong desire to learn about networking, backend website development, and cybersecurity, I am eager to develop my skills and pursue a career in these fields. I am looking for an opportunity to gain practical experience and expand my knowledge, with the goal of making meaningful contributions to the tech industry.

Educational Qualifications (Pre-University)
